Franklin Signs & Graphics offers you a small shop feel with a large array of sign needs. We are located in Cramerton, North Carolina which typifies a small town with charm surrounded by larger cities; Charlotte and Gastonia. Franklin Signs started in 1996 with the goal of producing only quality hand crafted signs to fit the customers budget. From that goal, we have signs of all shapes, sizes, and construction throughout the country. We are now a hand crafted sign facility also offering state of the art computer equipment.

Our goal is to develop long-term partnerships. Franklin Signs is dedicated to you!
